

PRODUCT DATA SHEET

Hansan W 70% WATERLESS HAND SANITIZER

Broad Germicidal Spectrum:

Hansan W provides grease-cutting effects while providing germ-killing properties in as little as 15 seconds without the use of soap, water or towels.

Use **Hansan W** to clean and sanitize hands. Always ensure to use Product between fingers, under the nails and at the backs of hands. **Hansan W** is a refreshing instant hand sanitizer that kills 99.9% of most common germs that may cause disease. This product leaves hands feeling refreshed without any stickiness or residue. It is also enhanced with an additional ingredient, which prevents dryness of the skin.

Fast Acting:

The alcohol content in **Hansan W** works immediately to break down oils and greases as well as pigments from inks. Use of this product leaves the hand surface sterile and clean.

Consult your CHEM CLEAN Specialist for specific use directions.
