

## PRODUCT DATA SHEET

# MAGI QUAT

### QUATERNARY DETERGENT, GERMICIDE AND DEODORIZER

**Multi-use Formula:**

MAGI QUAT has the ability to clean, disinfect and deodorize in one operation. It effectively destroys odor-causing Bacteria and other Viral Organisms, whilst neutralizing unpleasant odors and leaving a clean pleasant floral scent. MAGI QUAT is a very effective disinfectant and Deodorizer for toilet and urinal facilities as well as for adjacent floors and walls and with its virucidal action, significantly contributes to the maintenance of a hygienic washroom environment.

**Ideal in Food Service Sanitation for Non-food Contact surfaces:**

MAGI QUAT cleans, sanitizes and deodorizes food service equipment and food preparation areas. It is especially effective when used for cleaning and deodorizing those areas which exude stale kitchen odors such as garbage cans and food refuse bins.

**Excellent for Hospital Disinfection:**

MAGI QUAT is an effective germicide for cleaning hospital equipment, floors and patient areas. It is also suitable for conductive flooring.

**Virucidal Action:**

MAGI QUAT contains a quaternary ingredient in combination with a synergistic detergent and a buffer system. These work to disinfect Herpes Simplex Type1, Vaccina and Influenza A on inanimate environmental surfaces at the 1:200 use dilution (1 1/3 oz per gallon)

*Consult your CHEM CLEAN Specialist for specific use directions.*

## **GENERAL USE DIRECTIONS:**

Cleaning: Mix 3 oz MAGI QUAT per gallon water to walls, floors, sinks, counter tops, hard surface furnishings and equipment with cloth, mop or mechanical spray device. Wet surface thoroughly. Preliminary removal of gross soil is required. Prepare fresh solution daily or when visibly soiled.

Removal of Mildew, Fungi: Apply to inanimate hard surfaces at the recommended use of 1 1/3 MAGI QUAT per gallon of water (470 ppm).

Combining Disinfecting with Cleaning: Use 1 1/3 oz MAGI QUAT per gallon of water (470ppm) Allow 10 minutes contact time. For porous or heavy soiled surfaces use 2.4 oz per gallon of water (700 ppm)

KEEP OUT OF REACH OF CHILDREN.  
DO NOT MIX WITH ANYTHING BUT WATER.  
DO NOT REUSE CONTAINER.

## **ACTIVE INGREDIENTS:**

Alkyl Dimethyl Benzyl Ammonium Chloride

## **CAUTION:**

Contains Quaternary Ammonium Compounds. Harmful if swallowed. Can cause irritation.

Protect eyes and mucous membranes from contact with this product and solutions of it.

Contains anionic and nonionic surfactants.
