

PRODUCT DATA SHEET

GRILL CLEAN

GELL OVEN AND GRILL CLEANER

Gel Cleaner:

GRILL CLEAN is a heavy duty gel cleaner. It is specially formulated to adhere to vertical and horizontal surfaces, this allows for greater dwell time and effectively removes carbonaceous deposits of baked or burned on oils, fats, proteins, starches, sugars, greases. **GRILL CLEAN** can be applied with a roller, brush or swab in its concentrated ready-to-use form.

Wide Application:

GRILL CLEAN successfully cleans all types of Food Processing Equipment including Ovens, Grills, Baking Trays, Vats, Kettles, Deep Fat Fryers, Potato Chip and Donut Machines, and Nut Roasters, etc.

GRILL CLEAN is safe on Iron, Magnesium, Stainless Steel and Vitreous Tiles. Care should be taken around painted surfaces since **GRILL CLEAN** can effectively remove some types of paint.

Consult your CHEM CLEAN Specialist for specific use directions.

GENERAL USE DIRECTIONS:

GRILL CLEAN should be applied undiluted with a roller, brush or swab. Apply **GRILL CLEAN** liberally, so that the entire surface to be cleaned is thoroughly coated. After 15-30 minutes (depending on the soil thickness) remove with a brush or scrub pad as necessary and rinse with warm water.

For Deep Fat Fryers: dilute **GRILL CLEAN** with up to 20 parts potable water depending on the degree of soil to be removed. Heat solution to 180-200°F for 15-20 minutes. Drain and rinse thoroughly with potable water.

<p>KEEP OUT OF REACH OF CHILDREN. DO NOT MIX WITH ANYTHING BUT WATER. STORE IN A TIGHTLY CLOSED CONTAINER. DO NOT REUSE CONTAINER. FOR INDUSTRIAL USE ONLY</p>
--

ACTIVE INGREDIENTS:

Sodium Hydroxide
