Chem Clean Ltd.,
#1 Trincity Drive,
Trincity Industrial Estate,
TRINCITY.

Dear Sir/Madam,

This is to state that at the present time, the Forensic Science Centre has been using the SELECT PLUS disinfectant for cleaning purposes in the Mortuary Section.

This product has proven to be quite suitable as a cleaning material and has been in use at the Forensic Science Centre for over a period of approximately seven (7) years.

Yours respectfully,

.....
D. Preamchand
Ag. Store Keeper
