

## PRODUCT DATA SHEET

# HANSAN L-74 ANTIBACTERIAL SANITIZER

### **Broad Germicidal Spectrum:**

**Hansan L-74** is a ready to use and versatile antibacterial, alcohol-based sanitizer, which delivers fast cleaning performance and is specially formulated for broad surface compatibility, as well as prevents the growth of bacteria. It is ideal for food processing/food service and industrial hygiene.

**Hansan L-74** is mostly applicable in constantly changing healthcare environments or anywhere a clean and healthy environment is desired. It is economical and safely sanitizes.

### **Fast Acting:**

Due to its high alcohol content and antibacterial properties, Hansan L-74 immediately delivers effective cleaning performance as well as kills 99.9% of most common germs. It is enhanced with additional moisturizer that leaves hands feeling soft. After the use of this product, surfaces are sterile and clean.

*Consult your CHEM CLEAN Specialist for specific use directions.*

**SB/:190508**

**GENERAL USE DIRECTIONS:**

Can be applied via spray or applicator or directly from container.

Hand sanitizing: Apply a small amount of Hansan L-74 to the palm of the hands, rub gently and allow to dry.

Surface sanitizing: Apply a liberal amount of Hansan L-74 to any hard surface. Wipe with a clean cloth and allow to dry.
